## Going Blue for Autism

*Autism is a complex, lifelong developmental condition that affects a person's ability to communicate, interact with others as well as affecting the way an individual relates to his or her environment. An estimated one in 100 people has autism; that's almost 230 000 Australians.*

Each year Bradbury Public School likes to support Autism awareness month. On **Thursday 2nd May** students are asked to show their support and come dressed in their favourite shade of **blue** to help raise awareness for Autism Spectrum Disorder (ASD). There will be a range of blue cupcakes, jelly, fairy bread and slushies available for students to purchase at lunch. We will also be offering autism awareness tattoos and face painting.

**Where:** Outside the support unit classrooms

The price of food will range from 50c - \$1. All funds raised will stay within the school and not help endorse any association. The funds raised will go towards the students of our school. The price of the tattoos will be \$1 with the face painting ranging from \$3 - \$4. All face paints used are washable and non-toxic. Please fill out the permission slip below if you do not want your child to participate in face painting or tattoos and return to your child's class teacher before the day.

Thank you for your support,  
Support Unit Staff
