Dear Parents/carers,

We are very much looking forward to welcoming everyone back to school on Tuesday.

The timetable below outlines the new procedures for dropping off and picking up students. (Very similar to 2021)

1. Adults dropping off and picking up must wear a mask and social distance.
2. Staff will greet students at the gate in the morning and in the afternoon they will walk students 1-2 to their gates in the afternoon. **Years 3 to 6 teachers will walk them to their allocated gate (see information below).**

Please note the change in dismissal times in the afternoon for students in Years 4, 5 & 6. If students can arrive at school closest to the start time, as that will assist with limiting the opportunities for cohorts to mix.

Canteen - will be open for **online orders only** for both **lunch and recess** and these will be delivered to the classrooms by teachers. Introduction of additional services will be communicated to the school community.

Please note the change in afternoon times for students in Years 4, 5 & 6. (Slightly later dismissal)

****Siblings arrive and exit gate of the youngest sibling.**

***** Bus Students leave normal time**

It is compulsory that students Years 1 - 6 return on Tuesday 1 February unless they cannot due to a condition, illness, currently unwell or have been asked to isolate. Please inform the office if this is the case.

We have tried to keep changes to a minimum and similar to 2021 as we transition back to school. Please keep updated with the information and share it with other family members. If you have a child starting at the school on Tuesday, please use the top gate and head to the office and a staff member will assist.

Kind regards,

Michelle Lester
